Sample Irrigation System Maintenance Checklist

Installation Completion Date: ____________________________

Address: ____________________________________________________________________

The following items have been provided and explained to the irrigation system owner or system owner’s representative.

☐ The manufacturer’s manual for the controller.
☐ A seasonal watering schedule.
☐ A list of components that require maintenance and the recommended frequency of maintenance is attached.
☐ A permanent sticker has been attached to the controller indicating the warranty period for the irrigation system and contact information.
☐ The corrected or redrawn design plans indicating the actual installation and components of the system.
☐ Location and operation of the isolation valve.
